

COAST COLLEGES PLACE FOURTEEN MEN IN INTERCOLLEGIATE TRACK FIELD MEET

CORNELL ATHLETES LEAD IN PLACING MEN IN THE FINALS

Fred Murray of Stanford Does High Hurdles in 15 Flat, But Wind Prevents Registering Record; Jump Record Almost Made

[Republican A. P. Leased Wire] CAMBRIDGE, Mass., May 26.—Cornell's well balanced track and field team took first place in the qualifying contests of the fifty-first annual championship meet of the Intercollegiate Association, held this afternoon in the Harvard Stadium. The Ithaca university placed 18 men in ten of the eleven events, Coach Conley's athletes failing to come through only in the broad jump.

The track and field stars from Yale pressed Cornell closely in qualifying 15 men, but the Eli's strength was not so evenly distributed for the Blue was shut out of both the hammer throw and 440 yard dash.

There was a bitter struggle in every one of the events and the two Pacific coast universities, Leland Stanford and California succeeded in placing seven men each in the finals which was only one less than the number secured by Harvard, the host of the competing athletes.

The wind probably will result in the loss of a new record in the high hurdles for F. S. Murray of Stanford, who won his heat in 15 seconds flat, which is one fifth of a second faster than the existing figures of the intercollegiate amateur athletes of America.

Murray, however, did not need the wind at his back to impress the spectators with his ability as a hurdler.

Murray also had a companion in record breaking performance who was not able to obtain credit for an exceptional feat. H. Worthington of Dartmouth leaped 24 feet 7 7/8 inches in one of his trials but fouled at the take-off by an eighth of an inch and thus lost a record.

Expert officials who followed the performances of the athletes today predict still better competition in the finals tomorrow. First and second honors will in all probability be divided among a large number of the competing colleges and universities and the stars from the Pacific coast, and the middle west are expected to cut heartily into leading point scorers of the larger eastern institutions.

LADY DAREDEVIL FLYER BEATS RESTA. AUTO SPEED DEMON, IN UNUSUAL RACE

Miss Katherine Stinson racing above Resta and (inset) Miss Katherine Stinson.

Miss Katherine Stinson, of San Antonio, Texas, recently won with ease in an interesting race with Dario Resta, the speed demon. Miss Stinson drove her large biplane directly above Resta's blue Peugeot in the early part of the race, but soon left him behind.

Miss Stinson is perhaps the most skillful and daring American aviator, having looped the loop and done many other such intrepid stunts with great success. She seldom wears the usual aviation garb, preferring any simple gown to work clothes, as she says flying is not her work but her pleasure.

as the Maroons will participate in their first game of the season, with the Phoenix White Sox, on the Park Street grounds Sunday afternoon at 2:00 o'clock. Captain Haldiman of the Sox has made several changes in his lineup by adding a few new players of considerable reputation.

Base ball fans of this community have given the White Sox great support at the preceding games in which they have participated. The team has been strengthened to such an extent that the boosters of the Sox, will be able to boost for a winning team from now on.

Smiley, known throughout the state as "Smiley Joe," will pitch for the Braves with little "Art" Van Haren receiving. Old Timer Godfrey will toss the ball for the Sox with "Shirley" McPort at the preceding games in which

You can't "spell-bind" many men into liking what they dislike—every man's taste is his own

IF A MANUFACTURER in his advertising tells you (truthfully, as he believes) that he has the "best tasting cigarette in the world" and you believe him, you probably try his cigarette. It may be a very good cigarette. But his over-enthusiasm has led you to expect something almost impossible. You light that cigarette and—

Well, there's a good chance that you're disappointed. It may not be the fault of the cigarette. The cigarette may be mighty good. But you've been led to expect too much. You've been "over-sold."

And besides, tastes differ—who can tell what cigarette will best please your taste before you try it?

That's why we leave the taste of Fatimas entirely up to you. We believe you will like them; but you may not.

To be sure, most men like the taste of Fatimas better than any other cigarette they ever smoked. Figures indicate that. More

Fatimas are sold than any other cigarette in the world costing over 5c.

But the taste isn't all. If you do like Fatimas' taste as well as these thousands and thousands of other men do, you'll find a second reason for sticking to them for good. And that reason is that Fatimas will give you cigarette-comfort at all times.

This is why they have won the name of being as SENSIBLE a cigarette as a man can find anywhere.

They are comfortable to the throat and tongue. You'll never experience any "sandpaper tickle" or "hotness" in the cool-smoking Turkish blend of Fatimas.

And Fatimas can be smoked more freely than any other cigarette without leaving any mean after-feeling, as some less skillfully blended cigarettes do.

If you have never smoked Fatimas—you should try them.
